

Income Protection

Protect Your Most Valuable Asset

Every Day Depends On Your Ability To Earn A Living

Your lifestyle and dreams for the future depend on your ability to earn a living.

When you take into account all that you've worked so hard to achieve, consider the fact that your paycheck made it all possible.

One of the most important decisions you will make will be to insure your income.

An income protection plan will provide you with monthly tax-free income if you are unable to work as a result of an injury or illness.

Your Income At Work

We protect our homes, cars, even pets and cell phones with insurance. But we often fail to consider protecting our most valuable resource – our income.

Your Income pays for the little things

Think About It. Buying a home, sending the kids to college, and having enough for retirement all rely on receiving a regular income. Are you prepared if a sickness or injury prevents you from working?

The Most Common Disability Causes

Even a short-term disability can put enormous financial strain on you and your family.
Where will your money come from in the case of injury or illness?

Does Your Income Protection Plan Satisfy Your Needs?

If you are suddenly unable to work for any period of time, you could lose your income and everything it provides. Will the following sources of income be sufficient to provide for you and your family?

Did you know?
FACT

62% of bankruptcies in 2014 were a result of an illness or injury and 78% of the families had medical insurance

Bloomberg Business Weekly

Social Security

In 2018, the average social security benefit was \$1,312 monthly. Additionally, 65% of initial applications will be denied.

Retirement Savings

Using retirement savings will cause unwanted penalties and taxes, leaving you with little or no money for your retirement years.

Worker's Compensation

Less than 5% of disabling accidents and illnesses are work related; the other 95% would not be covered.

Borrowing From A Bank Using Credit Cards

Your chances of loan approval would be impossible without a regular income. Credit card debt could lead to bankruptcy.

Group Long Term Disability

Employer sponsored plans typically provide 60% of pre-disability earnings. After taxes, this leaves your monthly benefit considerably less and could fall short of meeting your monthly expenses.

Asking Family And Friends For Money – As A Last Resort

Having to ask family or friends to borrow money will put unwanted stress on you at a time when you should be focused on recovering.
